NOTED _____

Dear Jim:

Enclosed are copies of the Notice of Allowance and Notice of Allowability issued by the Patent Office on March 13, 1991. The issue fee is due by June 13, 1991.

Please take this opportunity to make sure that the claims allowed provide the coverage desired. In particular, claim 2, which was directed to metal carbides other than iron carbide, was cancelled and claims 1 and 4 were amended to limit the scope to iron carbide. If you would like to pursue patent coverage to metal carbides other than iron carbide through a divisional application, please let us know before we pay the issue fee.

file

Please also be sure that all material prior art (that a reasonable examiner would consider important in deciding whether to allow the claims) of which you or the inventors are aware, has been brought to the attention of the Patent Office.

Unless we receive contrary instructions from you by May 10, 1991, we will pay the issue fee.

Sincerely,

Marta E. Gross
